

CHUCK HAMMOND PHOTOGRAPHY

COVERAGE STYLES

Chuck Hammond Photography offers a unique style of wedding photography with over thirty years of photographic experience. Chuck's approach can be either traditional, photojournalistic or a combination of both to personally photograph each wedding. Chuck documents the beauty, spontaneity and celebration of your wedding day from an artist's perspective. Chuck designs coffee table albums with various multi-image pages and detail backgrounds artfully displayed in a contemporary style.

Plans A-D include a genuine leather coffee table style album with images, case and presentation box. You have choice of cover imprinting in silver, gold or embossed cover.
